STOP For Nikhil Grant Opportunity

Do you have a need for funds for your school?

Nikhil Badlani Foundation is giving you an opportunity to receive a grant of up to \$2,000!

Nikhil Badlani Foundation is inviting schools to participate in a friendly competition. The school that raises the most funds for the STOP For Nikhil will receive \$2,000 from the Nikhil Badlani Foundation. These funds may be used for:

- Grounds Improvements,
- Enrichment Classes,
- Special Assemblies and/or
- Books and Supplies for the Library.

If the school feels they have a need that does not fall under any of the categories listed here, they should reach out to the foundation for approval of the project of their choice.

To keep this competition fair and account for the differing school sizes, we will normalize the funds raised to determine the winning school.

We request that the winning school acknowledge the Nikhil Badlani Foundation for the grant received on their school website, media and social media.

The Principals of each school may work with their respective PTA's to promote the event and jointly determine the optimal allocation of the funds.
