

Nikhil Badlani Foundation Youth Advisory Board

Are you ready to make a difference in your community?

Nikhil Badlani Foundation (NBF) is offering a leadership opportunity: The NBF Youth Advisory Board. The mission of the NBF Youth Advisory Board (YAB) is to empower youth to make a difference by providing a viable, established channel for students to express their ideas and develop recommendations for traffic safety projects.

Participants in the YAB will evaluate community traffic safety issues, generate ideas for productive change, develop specific traffic safety improvement plans for consideration, and work with the NBF and the West Orange Township and relevant organizations to implement an approved and finalized version of the plans. This experience will develop skills in leadership, team building, technology, budgeting, and business operations. There will also be opportunities for event planning, mentorship, and networking.

ELIGIBILITY

- Youth Advisory Board (YAB) is open to all sophomores, juniors, and seniors.
- Interested students should:
- Demonstrate leadership in school and/or community activities
- Express an interest in making change in their community
- Be open minded and willing to work with their peers
- Commit to 100% participation in YAB leadership building activities

SELECTION PROCESS

- NBF will give priority to the first 50 applicants.
- Applicants will be notified of final selections and interview dates will be communicated.
- All applications will remain confidential. NBF does not discriminate on the basis of sex, race, religion, national origin, or disabilities.

ATTENDANCE POLICY

The Board will meet every week for an hour. In addition to the hourly Board meetings each week, committees may schedule meetings during lunch hour. All participants are required to attend the Board and the committee meetings.

The success of this program depends on each participant's commitment to attend meetings, be punctual, be willing to lead, generate ideas, and execute on action plans.
