

NJ'S TRAFFIC VIOLENCE EPIDEMIC

- ⌵ PREVENTABLE CRASHES ON NEW JERSEY'S ROADS **KILL AROUND 600 AND INJURE 3,000 PEOPLE** EVERY YEAR
- ⌵ PEOPLE ON FOOT OR BIKE ARE DISPORPORTIONATELY IMPACTED, BUT **SYSTEMATICALLY IGNORED**
- ⌵ VICTIMS ARE OFTEN BLAMED WHILE THEY AND THEIR FAMILIES ARE **ABANDONED BY THE SYSTEM**
- ⌵ MANY DECISION-MAKERS AVOID ACCOUNTABILITY, DELAYING SOLUTIONS THAT WOULD **PREVENT FUTURE TRAGEDIES.**
- ⌵ THIS IS A **PUBLIC HEALTH CRISIS**

IF YOU OR A LOVED ONE IS
A VICTIM OF TRAFFIC VIOLENCE,
YOU ARE NOT ALONE.

OUR MISSION

CONFRONTING THE PREVENTABLE EPIDEMIC OF TRAFFIC VIOLENCE THROUGH ADVOCACY AND SUPPORT

By sharing our personal stories with decision-makers and the public, we shed light on the direct impact that fatal and serious injury crashes have on our communities, and bring attention to proven solutions that address the root causes of traffic violence.

Together, we...

01 Offer support services for traffic violence victims, and their friends and families

02 Provide community for victims and their families, and a way to channel their pain and grief into action

03 Raise awareness of the impact traffic violence has on communities

04 Advocate for systemic changes to policy and infrastructure that prevents serious crashes

YOUR VOICE MATTERS.
