YOUTH ADVISORY BOARD

PROGRAM OVERVIEW

Empowerment Through Action:

The NBF Youth Advisory Board (YAB) is a leadership program designed to empower students to make a difference in their community by addressing traffic safety challenges.

Collaborative Process:

Participants work alongside the Nikhil Badlani Foundation (NBF), local safety organizations to:

- Evaluate local traffic safety issues and propose creative, effective solutions.
- Develop actionable plans to improve traffic safety in the community.
- Implement approved plans, working in partnership with local stakeholders.

Guidance and Mentorship:

Students receive ongoing support and direction from NBF and faculty advisor throughout the project.

Term Duration:

The Board members serve for one or more school year, contributing to long-term, impactful initiatives.

Field Trips and Advocacy:

YAB members may participate in local travel to present their projects to other stakeholders, legislative committees.
